The Central and Eastern European Chamber of Commerce in Vietnam (CEEC Vietnam) proudly marks its 10th anniversary, celebrating a decade of fostering business growth, collaboration, and strong economic ties between the CEE region and Vietnam.

A Vision Turned Reality

Founded in 2015, CEEC Vietnam was established by a group of professionals from Austria, Hungary, Croatia, Bulgaria, and Poland, who recognized the need for a dedicated platform to support CEE businesses in Vietnam. Over the past decade, CEEC has grown into a strong network of nearly 50 members, providing a space for companies to connect, exchange expertise, and explore business opportunities.
